CANTONESE SCHOOL OF GREATER WASHINGTON

July 24, 2026

Dear CSGW Community Members,

We know many of you have questions about the recent pause in school operations and what comes next. As a volunteer, parent-run organization, we have always aimed to operate with transparency, and we understand the desire for more information. At this time, however, we are not able to share additional details, out of respect for the privacy of everyone involved.

What we can share is this: the Board has determined that the best path forward is to cease school operations and begin the process of dissolving CSGW. As part of that process, the Board is working to address outstanding financial matters, including teacher compensation and family reimbursements, and will provide an update on that timeline in the coming weeks.

As part of this transition, CSGW will be making its academic and cultural resources available to the community and the public through our website. We hope these materials will continue to support Cantonese language learning for years to come.

We are deeply grateful for this community's commitment to Cantonese language and culture, and for everything so many of you have contributed to CSGW over the years. We are confident that this commitment will continue in the DMV area in whatever form the community builds next.

If you have questions, please direct them to board@csgw.org. Thank you for your dedication to CSGW and to this mission.

With gratitude,

The CSGW Board of Directors
